

March Homework Fun!

Below are some activities related to concepts being taught in our kindergarten classroom. To help your child review and master these concepts, please choose at least 3 activities each week for him/her to do as homework. Circle the activities completed. At the end of the month, please sign and return this sheet to school. Thank you.

Week 1

1. Have an adult read a Dr. Seuss story to you.
2. Play a board game with an adult. Before a player can move he or she has to read a High Frequency Word.
3. Practice coin names and values with the Voki on our classroom website at <http://ribblett.weebly.com>
4. What day is today? What day is tomorrow? What day was yesterday? Name all the days of the week in order.

Week 2

1. Write all the numbers from 1 to 20. You might write them with Sidewalk Chalk, paint, a special marker, etc.
2. Draw a picture of, and write a story about, what you would like to find at the end of a rainbow.
3. Count to 100 by 5's, 10's and 1's. Then, count backwards from 20 by 1's.
4. Tell at least two words that rhyme with *cat*, *say*, *king*, *top*, and *can*.

Week 3

1. Add up the number of toes in your family. (You might be able to count by 5's and 10's to do this.)
2. Practice coin names and values with theVoki on our classroom website at <http://ribblett.weebly.com>.
3. Listen to, or read, a story, and retell it to an adult. Be sure to include character names and words from the story.
4. Write all your High Frequency Words and read them. You might write them with Sidewalk Chalk, paint, a special marker, etc.

Week 4

1. Take a nature walk and look for signs of spring.
2. Empty a coin jar, or a piggy bank, then sort and count the coins.
3. Practice tossing balls at a target (wash basket, wastebasket, bucket, etc.) If playing with a friend, keep score using tally marks.
4. Gather some objects from around the house and make 3 addition and 3 subtraction problems for an adult to solve.

_____ has completed at least 12 of the above homework activities for March.
